OPTIEXACTA™

AI VISION ANALYTICS

# Intelligence in every frame.

AI vision analytics that turns the cameras you already have into real-time intelligence.

## DEPLOYED AT

- **Indian Railways** — Railway stations
- **Maha Kumbh** — Crowd safety
- **Indian Cargo** — Cargo terminals
- **Rail tunnels**
- **Casinos**
- **Schools & colleges**

## Built in Bengaluru. Built for the world. Benchmarked by the USA.

**2,000+** Cameras live across India

**Top 5** Global rank, NIST FRVT 1:N

**0.2 s** Search across 15 crore faces

## BENCHMARKED AND CERTIFIED

- **NIST FRVT** — Global Top 5, 1:N
- **STQC Certified** — MeitY, Govt. of India
- **Make in India** — Built in Bengaluru

# OE™ Prime X

OPTIEXACTA

AI VISION ANALYTICS

## One engine. Every camera. Total awareness.

Prime X turns the CCTV you already own into real-time intelligence: people, objects, vehicles, safety, behaviour and crowds on one platform. On-premise, cloud API or SDK.

### CORE TECHNOLOGY AREAS, ONE PLATFORM

**Facial Intelligence**
Facial detection, recognition, verification and identification

**Person Intelligence**
Full-body recognition, tracking and re-identification

**PPE & Industrial Safety Intelligence**
Safety equipment recognition and customized PPE compliance

**Threat Detection**
Weapon detection and suspicious object recognition

**Behaviour Intelligence**
Fall detection, smoking, phone usage and running

**People Counting**
Face-based and body-based counting, occupancy and footfall

**Security Intelligence**
Intrusion detection, trespassing, loitering and tailgating

**Crowd Intelligence**
Crowd counting, density estimation and heat map analytics

**Vision Language Intelligence**
AI video summarization and natural-language video search

**Custom AI Intelligence**
Organization-specific object, uniform and PPE detection models

# OE™ Presence

OPTIEXACTA

AI Attendance

## Attendance that marks itself.

**Walk-through gates**
Existing CCTV / IP cameras. Nobody stops.

**One-photo class attendance**
A teacher's phone photo marks the whole class.

**Automatic check-in & check-out**
Late marks and half days logged on their own.

**Instant parent alerts**
By app, SMS or WhatsApp.

**Parent app**
Live arrival, timetable, notices and teacher chat.

**Staff & teacher tracking**
Shifts, late marks, half days and overtime.

**Safe pickup & visitors**
Only authorised guardians. Barred-list alerts.

**Exam hall verification**
Admit card QR and a live face match at the door.

**Batches & shifts**
Separate timings for every batch or shift.

**Reports & open APIs**
Daily and monthly muster, Excel / PDF, ERP and payroll.

**Enrol once**
One photo and ID details. No special hardware.

**Privacy by design**
On-premise, encrypted templates, DPDP Act ready.
